

Setup of the sync with Google

The error-message when trying to sync:

And the Google Calender after sync: no data at all.....

The screenshot shows the Google Calendar interface for August 2018. The calendar is empty, indicating no data after sync. The interface includes a sidebar with a mini-calendar, a list of calendars (John Peters, Tasks), and a search bar. The main calendar grid shows dates from August 30 to September 2. A red plus button is visible in the bottom right corner of the calendar grid.
